PAPERLUMO SAMPLE SCAN

Synthetic document - no personal information

Purpose: compare a 100 KB and a 200 KB output.

This is a demonstration, not a real certificate.

Reference: SAMPLE-2026-0920

Date: 20 September 2026

Pages required: one complete page

Check every name, date and small character after compression.

A passing file size does not guarantee portal acceptance.

Keep the original and follow the receiving portal rules.

The sample uses light paper texture and raster text.

Real scans may need a different size or resolution.

Small text check: ABC abc 0123456789 / . , -
